

March 15, 2007

Dear Sir or Madam:

Guest Reddick Architects has served the City of Fort Smith on many projects over the history of the City, and the history of their firm. They have presented themselves very professionally and have always done a very good job maintaining budgets and schedules on the projects they have done.

Some of the recent projects that we are particularly proud of are the Fort Smith Police Headquarters Building and the Convention Center. Both of these projects demanded attention to detail and adherence to very strict budgets, which Guest Reddick accomplished.

The City has enjoyed the relationship with Guest Reddick over the years and would recommend them as your architect.

Sincerely,

A handwritten signature in black ink that reads "Randy Reed". The signature is written in a cursive, flowing style.

Randy Reed
City Administrator
