

R. Lynn Ellison
Director of Buildings and Grounds

April 2, 2007

To Whom It May Concern:

Please accept this letter of reference for the architectural firm of Guest Reddick.

Guest Reddick Architects has a long history with Fort Smith Public Schools and was the architect for the recently completed Kimmons Junior High School addition. Photos of this successful project are available on their website and are a reflection of their quality work.

As Director of Buildings and Grounds for Fort Smith Public Schools I have worked closely with Guest Reddick on several projects. They have been attentive to district needs, creative with solutions to unforeseen problems that always arise, and strive hard to see that everything is done properly and completed to the satisfaction of the district.

I recommend the firm of Guest Reddick and would gladly welcome any inquiry regarding our projects with them.

Sincerely,

A handwritten signature in blue ink that reads "R. Lynn Ellison". The signature is fluid and cursive.

R. Lynn Ellison
Director of Buildings and Grounds
