### TO WHOM IT MAY CONCERN:

Please allow this letter to serve as our recommendation for the Architectural Firm of Guest Reddick Architect. Sebastian County has enjoyed a long lasting relationship with Guest Reddick Architects which actually began in 1937 with the design of the Sebastian County Courthouse which still stands and serves the people of Sebastian County.

Over the years, Sebastian County has hired Guest Reddick Architects to design many of our buildings, including the New Courthouse Complex being constructed as well as the Sebastian County Detention Center including the current addition that is nearing completion.

Guest Reddick Architects have proven to us that they are committed to their projects and their Clients and we certainly would hire them again as our County needs expand.

Sincerely,

David Hudson, Sebastian County Judge
